Business Setup in Oman

The 2025/2026 Strategic Guide

A comprehensive roadmap for investors, entrepreneurs, and global companies to navigate legal structures, residency, and fiscal compliance.

Prepared for prospective investors and business owners.

The Oman Advantage: Stability Meets Opportunity

Strategic Gateway

Direct access to global markets via key ports (Sohar, Salalah, Duqm).

Pro-Business Reforms

100% foreign ownership now available in most commercial sectors.

Political & Economic Stability

Secure environment, peaceful diplomacy, USD-pegged currency.

Digital Transformation

AI-driven 'Invest Easy' portal streamlines entry.

Aligned with Oman Vision 2040 to diversify beyond oil into logistics, tourism, and technology.

Selecting the Right Vehicle for Market Entry

Limited Liability Company (LLC)	Single Person Company (SPC)	Branch Office	Freelance License
Most common structure. Limited liability protection.	Owned by one individual (100% control).	Foreign parent company extension.	For independent professionals (consultants, designers).
100% foreign ownership possible.	Limited liability distinct from owner.	No separate legal personality.	No local sponsor needed.
Ideal for trading & services.	Perfect for solo entrepreneurs.	Used for executing government contracts.	Work with multiple clients.

Location Strategy: Mainland vs. Free Zones

Mainland Oman

- **Scope:** Trade directly within the local Omani market.
- **Contracts:** Eligible to bid on government tenders.
- **Workforce:** Subject to Omanization quotas (after Year 1).

Free Zones (Sohar, Salalah, Duqm)

- **Scope:** Import/Export, re-export, logistics, manufacturing.
- **Incentives:** 100% foreign ownership, 0% personal income tax.
- **Tax Holidays:** Up to 30 years corporate tax exemption.
